Join us for 2 weeks of learning and creating a production.

Our campers will explore the ins and outs of what is required to present a show. Through games, activities and instruction, they will learn about all aspects of our TVP productions. We will observe during this year's production of "Little Shop of Horrors", acting, dancing, singing, directing, producing, marketing, costumes, hair, makeup, lighting, sound, orchestra, sets, etc.

We will then use this knowledge to create our own Drama Camp production that will be performed prior to the performances of "Little Shop of Horrors", during the opening weekend.

Please return the bottom portion of this form with a check payable to TVP for \$40 to:
